FOR IMMEDIATE RELEASE

THE WORLDS LARGEST WEEKLY HAIR COMPETITION! BANGSTYLE.COM CELEBRATES "THE SUPREMES"

Bangstyle.com has launched the largest Weekly Hair Competition in the world, "the Supremes", celebrating the best work submitted by our Global Community for Hair. With over 1,300 photos entered weekly, the six most inspiring hair art photos are chosen each week and featured before our worldwide audience. Over 101,000 people view "The Supremes" each week.

We are thrilled to announce Karma's photo has been chosen for the week of 9/18/2013. The photo selected exhibited technique, style, and hair fashion at it's best. Eyes all over the world were inspired by Karna's work.

Bangstyle is proud to say we are the number 1 Hair + Culture site in the world and defacto "go to" for everything hair. Bangstyle.com and the Bangstyle App are a fast growing community of Hair Artists showing off their work and finding inspiration with over a million hair images viewed in the last year alone!
